Science Cluster Hire – Open Rank – 2 Tenure and 2 Lecture track appointments

Emory College of Arts and Sciences at Emory University in Atlanta, GA announces a special initiative to recruit excellent research scientists, scholars and teachers with a strong, established commitment and history of mentoring students from underrepresented and underserved populations. Two tenure track (open rank) and two lecture track (open rank) faculty appointments will contribute to our commitment to excellence and diversity in one or more of the following departments/areas: Biology, Biological Anthropology, Chemistry, Environmental Sciences, Mathematics, Computer Science, Neuroscience and Behavioral Biology, Physics, and/or Psychology. Candidates must hold a Ph.D. in a relevant discipline.

Candidates for two open rank tenure-track positions should have outstanding records of scholarly publications, research support and teaching. Faculty appointments will be made at a professorial rank commensurate with current academic standing and achievement. The successful candidates will be expected to continue her/his active research program and to participate in campus-wide interdisciplinary and departmental programs that provide research and professional development opportunities for our diverse student body.

Candidates for two open rank lecture-track positions should have outstanding records of teaching, curricular development and advising. Faculty appointments will be made at the Lecture Track rank commensurate with current academic standing and achievement (Lecturer, Senior Lecturer, Professor of Pedagogy). Successful candidates will be encouraged to participate in campus-wide interdisciplinary and departmental programs that provide research and professional development opportunities for our diverse student body.

Applicants should apply through:

apply.interfolio.com/37312 - Lecture track positions
apply.interfolio.com/37231 - Tenure track positions

Review of applications will begin on October 1, 2016 and continue until positions are filled.

Questions should be sent to Carla Freeman, Senior Associate Dean of Faculty, emorysciencesearch@emory.edu.
