CURRICULUM VITAE

Drew Westen, Ph.D.
Department of Psychology
Department of Psychiatry and Behavioral Sciences
36 Eagle Row
Atlanta, GA 30322
Phone: 404.727.7407
Fax: 404.727.0372
Cell: 404.375.6639
dwesten@emory.edu

Education:

1985	Ph.D. in Clinical Psychology, University of Michigan.
1981	M.A. in Social and Political Thought, University of Sussex (England).
1980	A.B. in Social Studies, magna cum laude, Harvard University.

Employment:

2002-	Professor, Department of Psychology and Department of Psychiatry and Behavioral Sciences, Emory University
2003-2007	Director, Clinical Psychology Program, Emory University
2009-	Co-Founder, Implicit Strategies, LLC
2007-	Founder, Westen Strategies, LLC
2000-2002	Research Associate Professor, Department of Psychology, Boston University
2000-2002	Director, Adolescent and Adult Personality Programs, Center for Anxiety and Related Disorders, Boston University
1996-1999	Adjunct Professor, University of Massachusetts, Boston
1993-1999	Associate Professor of Psychology, Department of Psychiatry, Harvard Medical School
1992-1999	Lecturer, Department of Psychology, Harvard University
1991-1999	Chief Psychologist and Director of Psychology Training, Department of Psychiatry, The Cambridge Hospital, Harvard Medical School
1990-1992	Organizational consultant, The Children and Youth Initiative, Detroit,

	Michigan
1986-1991	Adjunct Assistant Professor (full time), Department of Psychology, University of Michigan
1987-1991	Supervising psychologist, Psychological Clinic, University of Michigan
1987-	Private practice in Clinical Psychology
1985-1986	Lecturer, Department of Psychology, University of Michigan
1985-1987	Post-doctoral Fellow, Department of Psychiatry, University of Michigan. Full-time clinical work and research on the inpatient adolescent unit at Children's Psychiatric Hospital.
1982-1985	Psychology Intern, Adult Outpatient Service of the University of Michigan Department of Psychiatry, and University of Michigan Counseling Center (half-time). A.P.A. approved internship.

Selected Honors, Awards, and Activities:

2020-	Strategic adviser and media and message consultant and trainer to the Democratic Caucus of the Georgia House Democratic Caucus.
2019	Annual Constitution Day Speaker, Tennessee Tech University.
2019	Invited participant, Royal Society and British Academy of Science, Exploratory Workshop on Narrative and Science.
2019	Sidney J. Blatt Memorial Lecturer, Department of Psychology, Yale University.
2018	Special Section on the Social Cognition and Object Relations Scale–Global Rating Method: From Research to Practice. *Journal of Personality Assessment.*
2010-2016	Strategic adviser and media and message trainer to the Democratic Caucus of the United States House of Representatives.
2010-2016	Strategic adviser to the Congressional Progressive Caucus of the United States House of Representatives.
2010-2013	Advisory Board, DSM-5 Work Group on Personality Disorders.
2008-2012	Strategic adviser to the Democratic Caucus of the United States Senate.
2009	William J. Clinton Distinguished Lecturer, The Clinton School of Public Service, University of Arkansas.
2009	Elected as Fellow, Association for Psychological Science.

2009 Award for Research Distinction, Advertising Research Foundation.

2009 Great Mind Award, Advertising Research Foundation.

2006 Annual Scientific Paper Award, American Psychoanalytic Association.

2004 Participant, DSM-V Planning Committee Conference, Dimensional Diagnosis of Personality Disorders.

2004 Theodore Millon Mid-Career Award in Personality Psychology, Society for Clinical Psychology (Division 12) of the American Psychological Association.

2004-2005 Member, American Psychological Association Presidential Task Force on Evidence Based Practice.

2003 Visiting Professor, University College, London; Faculty, International Psycho-Analytic Research Training Program.

2003 Sherman Feinstein Annual Lecture, International Society for Adolescent Psychiatry. Rome, Italy.

2002 Boyer Prize, Society for Psychological Anthropology, American Anthropological Association.

2002 Distinguished Contribution to Research Award, Division of Psychoanalysis of the American Psychological Association.

2001 G. Stanley Hall Lecture, American Psychological Association.

2001- Honorary member, American Psychoanalytic Association.
2000 Mary Margaret Voorhees Distinguished Visiting Professor, Menninger School of Medicine, Topeka, Kansas, April.

1995- Attendee, Renaissance Weekend, Hilton Head, South Carolina.

1991 Golden Apple Award for outstanding undergraduate teacher at the University of Michigan.

1991 Selected as Superstar Teacher by The Teaching Company (in collaboration with the Smithsonian Institution).

1990 Master Lecturer Award, Michigan Psychological Association.

1990 Selected Best Professor at the University of Michigan by the *Michigan Daily*.

1989 Selected Best Professor at the University of Michigan by the *Michigan Daily*.

1985 University of Michigan Teaching Assistant Award.

1980-1981 Rotary Foundation Fellowship.

1976-1978 Edwards-Whitaker Prize, Harvard Club of Atlanta Scholarship, and Detur Prize for scholarship, Harvard University.

Selected Recent and Current Board Memberships/ Service:

2018-2019 Chair of the Board of Trustees, Better Georgia (501c4), Atlanta, GA.

2011-2019 Member of Board of Trustees, Better Georgia (501c3 and 501c4), Atlanta, GA.

2010-2017 Member of Board of Trustees, Working America, Washington, D.C.

2010-2013 Member of Board of Trustees, The Children's School, Atlanta, GA.

2010-2011 Member, Ford Foundation Project on Building Knowledge for Social Justice

Recent Grant Support (still actively analyzing and writing):

Principal Investigator, U.S. Site., Israel Binational Science Foundation, BSF Grant No: 2011163. A comparative study investigating the reliability, validity, and clinical utility of prototype diagnosis, $280,000, September 2012-2017.

Principal Investigator, National Institutes of Mental Health R01-MH78100, Comparing Dimensional Approaches to Personality Diagnosis, $3,483,000, 08/22/07-08/01/13.

Co-Investigator, Predictors of Treatment Response in Major Depression: The Emory CIDAR grant. National Institutes of Mental Health 1P50-MH07708301, $7,500,000, 07/14/06 – 06/30/11.

Co-investigator, National Institutes of Mental Health, Predictors of Treatment Response, Relapse, and Recurrence in Major Depression (Edward Craighead, Principal Investigator), 07/01/07 – 06/30/12, $4,913,663.

Principal Investigator, National Institute of Mental Health R01-MH62378, Adolescent Personality Pathology, 5 years, $1,266,986, June, 2000-May, 2005.

Principal Investigator, National Institute of Mental Health R01-MH62377, Classification and Measurement of Personality Disorders, 5 years, $1,123,553, June, 2000-May, 2005.

Westen, D. (December, 2017). Your brain on politics. Cornerstone Lecture, Renaissance Weekend, Charleston, SC.

Westen, D. (December, 2017). Developing views of normality and abnormality. Cornerstone Lecture, Renaissance Weekend, Charleston, SC.

Westen, D. (December, 2017). The mental health of sexual predators. Panelist, Renaissance Weekend, Charleston, SC.

Westen, D. (December, 2017). Speaking of health care. Invited Presentation, Board, Families USA, Washington, D.C.

Westen, D. (November, 2017). Speaking of Europe, Keynote Address, Leadership of the European People's Party and the European Parliament. Braga, Portugal.

Westen, D. (November, 2017). Elections and How We Think. Public Lecture, The

Global Institute, Long Island University.

Westen, D. (October, 2017). Trump's functional disabilities, Invited "Town Hall" Presentation, Duty to Warn, Atlanta, October.

Westen, D. (May, 2017). Explaining the emergence of populism. Invited address, European Association of Political Consultants, Brussels.

Westen, D. (May, 2017). Speaking with the public about ethnicity. Invited workshop, European Association of Political Consultants, Brussels.

Westen, D. (May, 2017). Taking psychological science into the public arena, Invited address, Association for Psychological Science, Boston.

Westen, D. (March, 2017). Talking with students, parents, and teachers about the Common Core. Invited workshop, NSLEA Leadership Summit, Los Angeles, CA.

Westen, D. (March, 2017). Personality and personality disorders, Keynote address, American Psychopathological Association, Foundations of Pathology, Pathways to Health, New York.

Westen, D. (February, 2017). How millennials and Latinos think about unions. California Labor Federation, Riverside and Los Angeles, CA.

Westen, D. (December 2016). New thinking about nature and nurture in psychiatric illness. Renaissance Weekend, Invited participant. Charleston.

Westen, D. (December, 2016). What happened? The election of Donald Trump. Renaissance Weekend, Invited participant. Charleston.

Westen, D. (September, 2016). Writing speeches that move nations. Keynote address, Professional Speechwriters' Association, Georgetown University, Washington, D.C.

Westen, D. (August, 2016). Addressing local and "big picture" issues. Counsel of States, Quebec City, August 2016.

Westen, D. (Jan, 2016). Putting rural America back on the map: Making food production more palatable. Invited presentation and workshop, Legislative Agricultural Chairs Annual Summit, State Agricultural and Rural Leaders, Denver, CO.

Westen, D. (May, 2015). Speaking of shared standards: How to talk about the Common Core and other new standards with parents, the public, and teachers. Invited presentation, Urban District Leadership Network, Washington, D.C.

Westen, D. (April, 2015). Personality pathology in adolescents and adults. Invited lecture, Department of Psychology, Peking University, Beijing, China.

Westen, D. (April, 2015). Neuroscience and psychodynamics: Cognitive and emotional constraint satisfaction. Invited lecture, Department of Psychology, Peking University, Beijing, China.

Westen, D. (April, 2015). Case formulation and diagnosis. Invited lecture, Department of Psychology, Peking University, Beijing, China.

Westen, D. (December, 2014). Plenary: Moving a national agenda: Making the most of administrative relief, National Immigration Integration Convention, Los Angeles.

Westen, D. (June, 2014). Three principles of effective political communication: Openly addressing issues like racial politics. Keynote Address, Colin Powell School of Civic and Global Leadership, City University of New York, New York City.

Westen, D. (July, 2013). Communicating our value proposition to clients in the developing world: Speaking the right languages to the right people. Plenary presentation, *International Finance Corporation,* World Bank Group, Washington, D.C.

Westen, D. (April, 2013). Conflict and compromise in Washington: The psychopathology of everyday legislation. Keynote Address, Division 39 of the American Psychological Association, Boston.

Westen, D. (February, 2013). The political economy of sustainable reform. Keynote address and workshop, The World Bank. Washington, D.C.

Westen, D. (February, 2013). Personality disorders in adolescents and adults. Invited address, Georgia Physicians' Psychiatric Association. Atlanta, GA.

Westen, D. (November, 2012). Presenter and advisor for the establishment of the Charles Hamilton Houston Institute for Race and Justice at Harvard Law School and Haas Diversity Research Center at UC Berkeley, Harvard Law School, Cambridge, MA.

Westen, D. (October, 2012). Presenter and participant, Roma Rountable (destigmatizing Europe's "Gypsy" population). Open Society Foundation, New York, New York.

Westen, D. (September, 2012). Making the diagnostic manual clinically useful. Grand Rounds, Department of Psychiatry, Emory University, Atlanta.

Westen, D. (September, 2012). Talking with the "unsure" about immigrants. National Immigration Conference, Baltimore, MD.

Westen, D., (September, 2012). Presenter and participant, Communications Research and Messaging Strategy Convening on *Fisher v. University of Texas at Austin*, Leadership Council on Civil Rights, Washington, D.C.

Westen, D. (August, 2012). The psychology of dysfunctional democracy. Plenary Address, American Psychological Association, Orlando, FL.

Westen, D. (April, 2012). How politics lost the American people. Plenary Address, Conference on World Affairs, University of Colorado, Boulder.

Westen, D. (January, 2012). Messaging social insurance. Keynote presentation, National Academy of Social Insurance 24th annual policy summit, National Press Club, Washington, D.C.

Westen, D. (January, 2012). It's all in the story. Moderator and panelist, Sundance Film Festival, Park City, Utah.

Westen, D. (January, 2012). Occupying populism: Messaging economics. Invited presentation, House Congressional Progressive Caucus Policy Summit, Baltimore, MD.

Westen, D. (December, 2011). Participant and panelist, Union of Concerned Scientists Convening on Thought Leadership at the Nexus of Science and Democracy, Washington, D.C.

Westen, D. (November, 2011). Democracy in America…and how to talk about it. Keynote presentation, John C. and Catherine T. MacArthur Foundation Convening on Challenges Facing Democracy in the United States, Chicago.

Westen, D. (July, 2011). Developing messages for advocacy and policy. Keynote presentation, National Maternal Nutrition Intensive Course. University of Minnesota, School of Public Health, Minneapolis, MN.

Westen, D. (July, 2011). Messaging to make children a priority. Keynote address, Children's Budget Summit, National Press Club, First Focus, Washington, D.C.

Westen, D. (June, 2011). Get the message? Invited address, Netroots Nation, Minneapolis, MN.

Westen, D. (June, 2011). Speaking of progress. Invited presentation, Social Democratic Party of Belgium and Party of European Socialists, Brussels.

Westen, D. (March, 2011). Personality and depression in college students: Opportunities for early intervention and treatment. Keynote Presentation, University of Michigan Depression Center Conference, Depression on College Campuses. Ann Arbor.

Westen, D. (January, 2011). Messaging economics. Invited plenary presentation, Congressional Progressive Caucus Policy Summit, Chantilly Virginia.

Westen, D. (January, 2011). Refining our understanding of adolescent personality pathology: Empirically derived personality prototypes in adolescents. Invited keynote address, Reinier van Arkelgroep, Amsterdam, Netherlands.

Westen, D. (December, 2010). Speaking of abortion. Invited presentation, American Civil Liberties Union, New York, NY.

Westen, D. (October, 2010). Why do people make the choices they do? Unconscious and emotional influences on consumer behavior. Keynote address, Industry Leader Forum on Discovering Consumer Insights, Advertising Research Foundation, New York, New York.

Westen, D. (October, 2010). Speaking of racial and ethnic health disparities. Invited presentation, Connecticut Health Equity Leadership Council, Hartford.

Westen, D. (October, 2010). Addressing unconscious racial and ethnic bias. Keynote address, Mayor's Initiative on Race, Culture, and Human Relations, Tallahassee.

Westen, D. (May, 2010). Words that resonate and words that don't. Invited presentation, Democratic Caucus of the U.S. House of Representatives, Washington, D.C.

Westen, D. (April, 2010). From neuroscience to practical politics. Invited presentation, Hubert Humphrey School of Public Policy, University of Minnesota, Minneapolis.

Westen, D. (March, 2010). Words that resonate and words that don't. Invited presentation, Democratic Caucus of the U.S. Senate, Washington, D.C.

Westen, D., & Lake, C. (March, 2010). Assessing and challenging unconscious racial bias. Plenary presentation, Kirwan Institute for the Study of Race and Ethnicity, Annual Conference, Transforming Race: Crisis an Opportunity in the Age of Obama, Ohio State University, Columbus.

Westen, D. (February, 2010). Three principles for effective communication in organizations: Lessons from psychology and neuroscience. Plenary address, Annual Convention of the Society of Psychologists in Management, Tampa, FL.

Westen, D. (February, 2010). The affective neuroscience of branding: Conscious and unconscious influences on political and consumer behavior. Invited presentation, Wharton School of Economics, University of Pennsylvania, Philadelphia.

Westen, D. (October, 2009). Race and health reform. Invited participant, Charles Hamilton Houston Institute for Race and Justice, White Oak Plantation.

Westen, D. (September, 2009). Sending the right message on health care reform. Wharton School of Business, Leonard Davis Institute of Health Economics Health Policy Series, Philadelphia.

Westen, D. (August, 2009). The psychology of American electoral politics: From the campaign of 2008 to governance in 2009. Invited address, Annual Convention of the American Psychological Association, Toronto.

Westen, D. (August, 2009). Improving clinical utility of classification: Prototype matching. Annual Convention of the American Psychological Association, Toronto.

Westen, D. (July, 2009). All in the message: Speaking to grown-ups about abortion, sex education, and contraception. Plenary presentation, Planned Parenthood for American CEOs Conference, Boulder, CO.

Westen, D. (June, 2009). Principles of effective political communication. Plenary Presentation, Third Way Summit, Moving Americans to a Clean Energy Future, White Oak Plantation, Florida.

Westen, D. (May, 2009). Politics and communication: A Transatlantic dialogue. Two days of presentations for the Friedrich Ebert Stiftung, Berlin, Germany.

Westen, D. (May, 2009). Speaking with European and American voters about immigration. Third Plenary Meeting of the Transatlantic Council on Migration of the Migration Policy Institute, Bellagio, Italy.

Westen, D. (March, 2009). Consuming passions: Unconscious and emotional influences on consumer behavior. Plenary presentation, Advertising Research Foundation, New York, New York.

Westen, D. (February, 2009). Emotion, cognition, and implicit processes in the Presidential election of 2008. Presidential plenary symposium, Society for Personality and Social Psychology, Tampa, Florida.

Westen, D. (September, 2008). Emotion and branding in politics and consumer behavior: From President to Polident. Plenary address, iMedia Brand Summit, San Diego.

Westen, D. (August, 2008). Winning words on the toughest issues: National security, taxes, healthcare, immigration. Starz Green Room, Mini-convention at the Democratic National Convention, Denver.

Westen, D. (August, 2008). The unconscious communication wars: Racism sexism, and "Swift Boat" attacks. Starz Green Room, Mini-convention at the Democratic National Convention, Denver.

Westen, D. (August, 2008). Inside the mind and brain of the voter: The presidential campaign of 2008. Invited plenary presentation, Annual Convention of the American Psychological Association, Boston.

Westen, D. (January, 2008). The presidential election of 2008 on the couch. Invited presidential plenary, Annual Convention of the American Psychoanalytic Association, New York.

Westen, D. (February, 2008). Writing speeches with messages that move: A view from the brain. Keynote address, The 2008 Speechwriters' Conference, Washington, D.C.

Westen, D. (January, 2008). The way to win on health care. Plenary presentation, Families USA annual conference, Health Action 2008, Washington, D.C.

Westen, D. (December, 2007). Talking about race. Plenary address, Ohio State University Kirwan Institute conference, *Toward a transformative agenda around race*, Columbus, Ohio.

Westen, D. (November, 2007). What Orwell couldn't know. Invited address, *There you go again: Orwell comes to America.* "Live from the New York Public Library," New York City.

Westen, D. (November, 2007). Theories of personality disorder. Invited address, Institute of Mental Health Research conference on Personality Disorders: Practice, Progress and Prospects, Scottsdale, Arizona.

Westen, D. (August, 2007). Extreme makeover: Putting emotion back into the emotionally barren language of the left. Second Annual Yearly Kos Convention, Chicago.

Westen, D. (July, 2007). The political brain: The role of emotion in deciding the fate of the nation. Keynote address, Annual Convention of the Democratic Leadership Council, Nashville.

Westen, D. (May, 2007). When evidence based practice isn't empirically supported therapy. Keynote address to the annual convention of the Georgia Psychological Association, Atlanta.

Westen, D. (May, 2007). Treat the person with the symptom: Personality-focused psychotherapy as evidence based practice. Invited workshop, Georgia Psychological Association, Atlanta.

Westen, D. (April, 2007). The political brain. Annual retreat of the Democratic Leadership Council, Williamsburg, Virginia.

Westen, D. (April, 2007). Political branding. National Press Club, Washington, D.C.

Westen, D. (January, 2007). Categories, dimensions, traits, types, and prototypes. Invited presentation, Association for Research in Personality, Memphis, Tennessee.

Westen, D. (December, 2006). Theories of personality disorders and their treatment. Invited address, Personality Disorders: New Perspectives and Current Controversies, 86th Annual Conference of the Association for Research in Nervous and Mental Disease and The New York Academy of Medicine. New York, NY.

Westen, D. (October, 2006). Refining the phenotype: Interpersonal dysfunction in borderline personality disorder. Invited presentation, Borderline Personality Disorder Research Foundation/National Institutes of Mental Health Conference on Refining the Phenotype and Measurement of Borderline Personality Disorder, New York, NY.

Westen, D. (October, 2006). Practicing and supervising evidence based psychotherapy. Invited workshop, Department of Psychiatry, University of Toronto, Toronto, Canada.

Westen, D. (September, 2006). Saul Albert Memorial Day Lecturer, Montreal Jewish Hospital, McGill University Department of Psychiatry, Montreal, Canada.

Westen, D. (June, 2006). Making clinical research more clinically relevant. Invited address, University of Rome, La Sapiensa. Rome, Italy.

Westen, D. (June, 2006). Changing minds and changing brains: Emotional constraints on judgment and decision making. Invited address, Annual Meeting of the Diversity Collegium, Atlanta, Georgia.

Westen, D. (May, 2006). Theories of personality and personality disorders. Invited address, *Advances in personality disorders*, Annual Convention of the American Psychiatric Association, Toronto.

Westen, D. (May, 2006). Transference and countertransference in personality disorders: Turning clinical observations into replicable data. Invited address, *Advances in psychodynamic psychotherapy: The state of the art*, Annual Convention of the American Psychiatric Association, Toronto.

Westen, D. (April, 2006). Personality pathology in adolescents:
What does it look like and what are its effects? Invited address, Unmasking Personality Disorders in Adolescents: Assessment of Adolescent Normality and Pathology, Weill Medical College of Cornell University, New York, New York.

Westen, D. (April, 2006). Adolescent personality pathology. Child Grand Rounds, Department of Psychiatry, Yale University.

Westen, D. (January, 2006). Personality pathology and the assessment of risk: Quantifying clinical judgment. Invited workshop, Institute of Law, Psychiatry and Public Policy, University of Virginia, Charlottesville.

Westen, D. (November, 2005). Personality as a context of psychopathology. Invited address, Annual Convention of the Association for Behavioral and Cognitive Therapy (ABCT), Washington, D.C.

Westen, D. (October, 2005). Quantifying clinical inferences about personality pathology in forensic settings. Keynote address, Swedish Society for Forensic Psychology, Stockholm.

Westen, D. (June, 2005). Rethinking transference: From connectionist networks to the consulting room. Sandor Rado Lecture, Association for Psychoanalytic Medicine and Columbia Psychoanalytic Center, New York.

Westen, D., Blagov, P., Kilts, C., & Hamann, S. (May, 2005). The political brain: Partisans' neural responses to threatening information about their candidate. "Hot Topic" Presentation at the Annual Convention of the American Psychological Society, Los Angeles.

Hamann, S., Kilts, C., Harenski, K., & Westen, D. (May, 2005). Blue brain, red brain: Democrat and Republican fMRI responses to politicians' faces. Poster Presented at the Annual Convention of the American Psychological Society, Los Angeles.

Westen, D. (2005, May). Faculty mentor (full-day workshop), American Psychiatric Institute for Research and Education (APIRE), Annual Convention of the American Psychiatric Association.

Westen. D. (2004, December). Discussant and participant, American Psychiatric Association Personality Disorders DSM-V Research Planning Group Conference on Dimensional Diagnosis. Washington, D.C.

Westen, D. (2004, October). The mismeasure of manuals: Implications for adolescent depression research. Invited presentation, AACAP Research Forum on Issues in the Conduct and Interpretation of Intervention Studies of Adolescent Depression. Annual Convention of the American Academy of Child and Psychiatry, Washington, D.C.

Westen, D. (2004, August). When clinical description becomes statistical prediction. Award address, Annual Convention of the American Psychological Association, Honolulu, Hawaii.

Westen, D. (2004, August). When empirically supported therapies are empirically contraindicated. Plenary presentation, Annual Convention of the American Psychological Association, Honolulu, Hawaii.

Westen, D., Bradley, R., & Zittel, C. (2004, July). Subtyping borderline personality disorder: Converging data from adolescent and adult samples. Invited presentation, NIMH Think Tank for the Effective Treatment of Borderline Personality Disorder, Baltimore, MD.

Westen, D. (2004, April). Personality and eating disorders. Plenary presentation, Annual Convention of the Academy of Eating Disorders, Orlando, Florida.

Westen, D. (2004, March). Transference: A view from cognitive neuroscience. Invited address, 25th annual convention of Division 39 of the American Psychological Association, Miami.

Westen, D. (2003, October). Negative affect and emotional dysregulation: Two constructs or one? Paper presented at the 18th annual convention of the Society for Research in Psychopathology, Toronto.

Westen, D. (2003, July). The cognitive unconscious and the psychoanalytic unconscious: From conflict to connectionism. Keynote address, 4th International Congress of Neuro-psychoanalysis, New York.

Westen, D. (2003, June). The classification and etiology of adolescent personality pathology. Sherman Feinstein Lecture, International Society for Adolescent Psychiatry, Rome.

Westen, D. (2003, June). Empirically supported therapies for adolescents. Plenary, International Society for Adolescent Psychiatry, Rome.

Westen, D., Morrison, K., Thompson-Brenner, H., & Eddy, K. (2002, November). Accumulating evidence for personality subtyping of eating disorders. Paper presented at the annual meeting of the Eating Disorders Research Society, Charleston, S.C.

Westen, D. (2002, June). Fact and fantasy in diagnosis: Teaching the DSM in introductory and abnormal psychology. Invited plenary address, 9th annual APS Teaching Institute, presented at the annual conference of the American Psychological Society, New Orleans.

Westen, D. (2002, May). Stability of measurement in patients for whom instability is the norm: Borderline psychometrics and the psychometrics of borderline personality disorder. Invited presentation, *New Directions in Borderline Personality Disorder II*, Conference jointly sponsored by the National Institutes of Mental Health and the Borderline Personality Disorder Research Foundation, May, 2002.

Westen, D., & Westen, L.A. (2002, April). Treating personality in the context of eating disorders. Workshop presented at the annual convention of the Academy of Eating Disorders, Boston.

Westen, D. (2002, April). The nature and origins of character. Distinguished Scientific Award Lecture, annual conference of Division 39 of the American Psychological Association, New York.

Westen, D. (2002, April). Understanding personality disorders. Catlin Memorial Lecture, Cornell University.

Westen, D. (2002, March). Rethinking the relation between science and practice in psychotherapy research. Keynote address, annual meeting of the United Kingdom Society for Psychotherapy Research, Ravenscar, UK.

Westen, D. (2001, December). Implications of developments in cognitive neuroscience for theories of transference and therapeutic action. Invited workshop, Neuroscience Study Group, American Psychoanalytic Association.

Westen, D. (2001, August). Rethinking personality disorders: Bridging the gap between science and practice. G. Stanley Hall Lecture, Annual Convention of the American Psychological Association, San Francisco.

Westen, D. (2001, June). Treating personality and its disorders: Integrating psychodynamic and cognitive-behavioral approaches. Invited workshop, Simon Fraser University, Vancouver.

Westen, D. (2001, May). Implications of developments in cognitive neuroscience for psychotherapeutic practice. Major Teachers of Psychotherapy Lecture, McLean Hospital, Harvard Medical School, Belmont, Massachusetts.

Westen, D. (2001, May). Why George Bush is President: Emotional constraint satisfaction in high-stakes decision making. Invited workshop, Center for Decision Research, Graduate School of Business, University of Chicago.

Westen, D., & Shedler, J. (2001, May). A prototype matching approach to dimensional diagnosis of personality disorders. Paper presented at the 154th annual convention of the American Psychiatric Association, New Orleans.

Westen, D. (2001, April). Chair and presenter: Adolescent personality pathology: Classification, gender, and etiology. Biennial meeting of the Society for Research in Child Development, Minneapolis.

Westen, D., & Morrison, K. (2000, July). Overcoming limitations of randomized controlled trials for psychotherapy by integrating meta-analysis and practice research. Presented at Challenges for the 21st Century: Mental Health Services Research, National Institutes of Mental Health, Washington, D.C.

Westen, D. (2000, July). Speaking in tongues: The language of psychoanalytic discourse. Frieda Fromm-Reichmann Lecture, Fielding Institute, Alexandria, VA.

Westen, D., & Shedler, J. (2000, May). Empirical prototypes based on clinical observation. 153rd annual convention of the American Psychiatric Association, Chicago.

Westen, D. (2000, May). Rethinking rationality and irrationality: Perspectives from cognitive neuroscience and psychoanalysis. Keynote address, 12th annual meeting of the Association for the Advancement of Philosophy and Psychiatry, Chicago.

Westen, D. (2000, May). Discussant, "What drives the dream?" Invited panel, 89th annual meeting of the American Psychoanalytic Association, Chicago.

Westen, D. (1999, November). The usefulness of personality diagnosis in research on Axis I disorders. Paper presented at the Annual Convention of the Society for Research in Psychopathology, Montreal.

Westen, D. (1999, June). The scientific status of unconscious processes. Invited

presentation, annual meeting of the Rapaport-Klein Society, Austen Riggs, Stockbridge, Massachusetts.

Westen, D. (1999, May). Freud is alive and well and living in the lab. Invited presentation, annual Spring meeting of the American Psychoanalytic Association, Washington, D.C.
