Also, please describe or provide a link to program admissions policies that allow students to enter with credit for prior graduate work, and the expected implications for time to completion. Please indicate NA if not applicable:

<https://gs.emory.edu/handbook/academic-affairs/standards/registration.html>

Credit for prior graduate work may be approved by the Clinical Science Director for some program requirements. Typical, prior course work does not always change the expected time to degree.
